## PROJECTS

### PCRS – [pet-carrier-rms.vercel.app](https://pet-carrier-rms.vercel.app)

A pet carrier rental system for malls that allows pet owners to rent pet carriers for their pets. Administrators can track their location in real-time. Our undergraduate thesis project.

### JSFurniture – [jsfurniture.vercel.app](https://jsfurniture.vercel.app)

A furniture store where customers can find everything, they need to furnish their homes with style and comfort.

### E-commerce Admin – [ecommerce-admin-woad-eta.vercel.app](https://ecommerce-admin-woad-eta.vercel.app)

A full-stack e-commerce admin app that users can create, manage, and link their online stores with various API's.

### JZ Resource Hub – [jz-resource-hub.vercel.app](https://jz-resource-hub.vercel.app)

A personal collection of tools, resources, guides and links by Jenson Caparida(@Jenzone)

### Inventory Management System (IMS) – [inventory-management-system-x7n2.onrender.com](https://inventory-management-system-x7n2.onrender.com)

A backend web application designed to manage an inventory of items. Final project for BE training by Bayan Academy.
